

Notes for MAY'S INSTALLMENT I love how this session opened up. As it began, all that flowed from me was singing in the Spirit for upwards of 10 minutes. Paul said, "I thank God that I speak in tongues more than all of you.", and "For one who speaks in tongues doesn't speak to men but to God, for no one understands him, but he utters mysteries in the Spirit." There is something so powerful about speaking and singing in the Spirit. I encourage you to open up and join with me singing in the Spirit as you engage with this session. Some very cool realms opened up during this time and I am so excited for you all to engage with it. I love you all. I pray for you all continually and I would love it if you would message me if you have specific challenges or requests rise in your lives. I care about what is going on in your lives and pray abundant blessing, grace, wisdom, and revelation on you always.
